

Celebrating Community

2019
ANNUAL MEETING
& LUNCHEON

Thursday, November 14, 2019

I would like to extend a sincere thank you to you – our loyal team of HANCI supporters, friends and staff– for without you, there would be no HANCI. Please know i truly appreciate the hard work and support each and every one of you has given HANCI over the years.

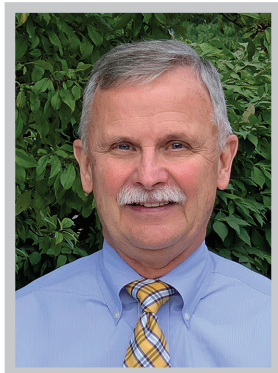

HANCI's volunteer board of directors and staff are all so dedicated and giving of their time and talents. Their commitment to delivering the highest quality care and customer service is the very best. I am also pleased to have some of our home care agency's 2019 caring counts award winners here today so we can celebrate their achievements.

I am equally excited to be presenting awards to an extremely worthwhile slate of community leaders – all who have been an inspiration to HANCI in one way or another. These individuals change lives and make our community a better place – and HANCI is so grateful.

What began over 92 years ago as a way of combating the ravaging effects of tuberculosis has today evolved into a family of programs and services that tirelessly work to make a positive impact on seniors, students and families in our community. Thank you for being here with us today to celebrate and for being part of the HANCI family!

Sincerely,

John W. Kinner, *President & CEO*
