# ONE Smile Can Start a Friendship... ONE Person Can Change Your Life!

**90 Years Ago...** a group of concerned and kind-hearted citizens banded together to form the Health Association of Niagara County, Inc. (HANCI). Their goal was simple: to promote the health, wellness and independence of individuals and families in the Niagara area. Ninety years later, HANCI has the privilege of celebrating those early humanitarians who started what became one of Niagara County's oldest thriving non-profits today. Looking around this room, I think they would all be very proud!

Along with a big birthday comes a big celebration. HANCI will be commemorating its 90th Birthday with a Gala on November 9th at the Seneca Niagara Resort & Casino. We also are publishing a book called **"Faces of Niagara"** celebrating the lives of Niagara County residents 90-years-young and older. Professional photographer John Lagomaggiore collaborated with us on this project and the result of his work is remarkable. Finally, our prom committee has gone out of their way to make sure the 2017 HANCI Senior Prom is the best one yet.

While the HANCI Senior Prom is fun, that's not the only reason we do it. We do it because it causes social change and breaks down barriers between generations. For years this one-of-a-kind intergenerational event has brought together high school students and older adults for a day of dinner, dancing, stories and friendship. At the "Prom," the generation gap seems to disappear.

This year we chose a traditional Caribbean themed LUAU because it seemed to fit perfectly with what we want the prom to be: families and friends gathering together over food, song and hula to celebrate a special occasion.

I want to take this opportunity to thank our extremely talented Mistress of Ceremonies, Channel 7's **Courtney Corbetta**, for sharing her Sunday with us. I also want to recognize our sponsors, volunteers and surprise Honorees – without them this day would not be possible.

Turning **90** is a very special occasion for HANCI and I hope you will celebrate with us today and throughout the year. **"Be That One Person Today to Change a Life!"**

Sincerely,

John W. Kinner, President & CEO

## Mediture™

We Applaud Complete Senior Care for  
Helping Seniors Live Independently.

# helping seniors together.

You've gone above and beyond to help the community. You do your part every day to provide quality and value to your clients, and it shows.

Now you can do even more. With the Volunteer Center at HANCI, you can give your senior clients a better future and increased financial stability.

## What's the Volunteer Center at HANCI?

The Volunteer Center at HANCI is home to three federally-funded senior volunteer programs. The 900+ senior volunteers serve other seniors, children, and non-profit organizations across Niagara County.

## How would this benefit my clients?

Two of the three senior programs provide a tax-free stipend to volunteers. For seniors who are struggling financially, these stipends could help pay bills, buy groceries, or just get back on track.

## How can I help?

If you see a client who is 55 or older and in need of financial assistance, you can refer them to volunteer with the Volunteer Center at HANCI. They'll help the people who need it most and they'll receive the tax-free stipend.

You can call the Volunteer Center at HANCI during business hours at (716) 285-8224, ext. 239, or email [volunteercenter@hanci.com](mailto:volunteercenter@hanci.com).

Seniors in our community need help. Let's help them together.

## Phil Mastantuono Allstate Insurance

When I think of the "Heart of HANCI" a local businessman comes to mind. He is an up and coming leader in our community and his business always makes giving back a priority. He found the funds to start up a music therapy program at our Complete Senior Care PACE day center, brought much needed funds to our Volunteer Center to expand services – AND he brought new life to the Senior Prom as one of our biggest supporters. THANK YOU PHIL!

Phil has worked closely with Allstate for years to help families with their insurance needs. He makes quality products and customer service his top priorities in both his Lewiston and Grand Island offices. When you meet with Phil and his staff, they treat you like family. That's one of the things HANCI loves about him!

We at HANCI feel that through Phil's efforts – Niagara County is a better place. Therefore, on behalf of our Board of Directors, we would like to recognize Phil Mastantuono and his Allstate Insurance Agency for their outstanding commitment to strengthening our community.
